

Notification of production-free times for manufacturer under 93/42/EEC (MDD)

Dear Sirs and Madames,

Please let us know by the **end of the 5th calendar week your production-free times for the actual year**. Any changes during the year are also to be indicated. Please note that this notification requirement also applies to your critical suppliers. In the case of OEM / PLM constellations, a report for an unannounced audit already performed by the Notified Body of the OEM manufacturer that is submitted to TÜV NORD CERT may be acceptable.
