

**Advisory Board of the Business Unit “Industrial Services“
for the companies TÜV NORD CERT GmbH,
TÜV NORD Systems GmbH & Co. KG and TÜV NORD Luxembourg S.à r.l.**

The Advisory Board monitors the certification bodies of TÜV NORD CERT GmbH, TÜV NORD Systems GmbH & Co. KG as well as TÜV NORD Luxembourg S.à r.l. and confirms ensuring independence and the impartiality of certifications and decision-making processes to the considered certification bodies in an annual meeting. This is described in chapter 5.2 of DIN EN ISO/IEC 17021-1 (Handling of impartiality) resp. in chapter 5.2 of DIN EN ISO/IEC 17065 (mechanism for ensuring impartiality).
