

How to get to us

The EMC laboratory of TÜV NORD CERT, Harburger Schloßstrasse 6-12, 21079 Hamburg, is located in the Hamburg-Harburg district south of the River Elbe on the channel Hamburg technology site in Harburg's inland harbour in the TUTECH building. You can reach us:

From Hamburg-Harburg railway station (stop for IC, ICE and regional trains)

- Walk to Harburger Schloßstrasse (approx. 15 min. walk) or take a taxi.

From Hamburg Airport

- By taxi directly to EMC Services (approx. 30-45 min. travel time).
- From Hamburg Airport S-Bahn station, take line S1 to Hamburg main station (approx. 25 min. travel time).

From Hamburg main station

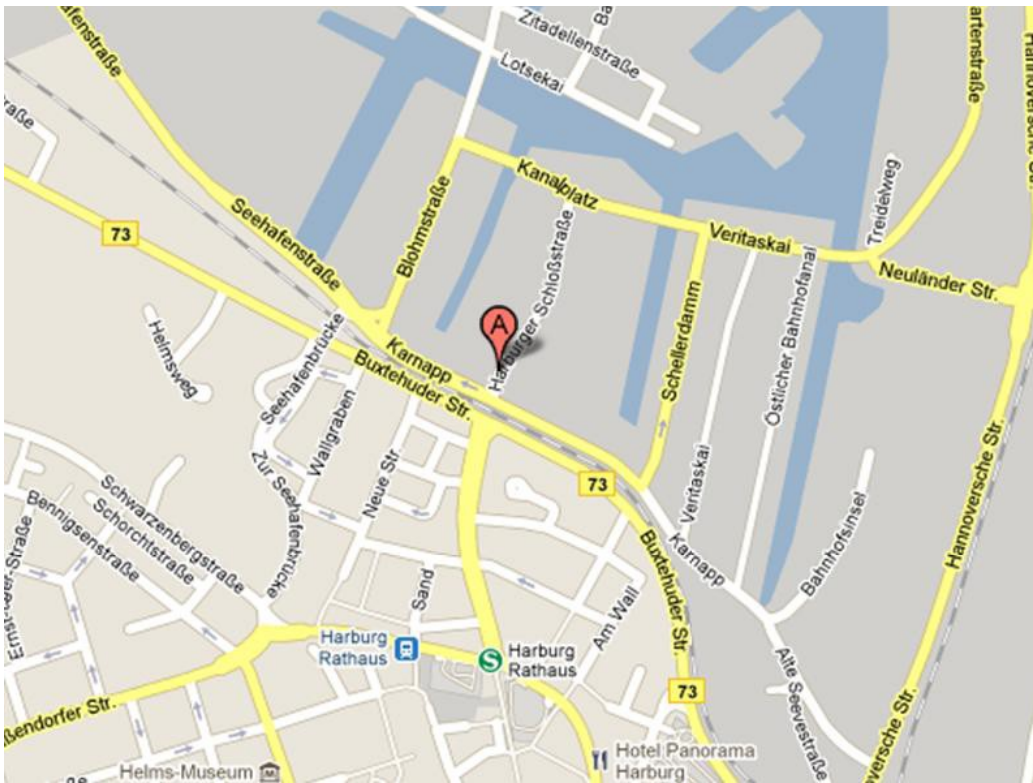

- Take the S-Bahn line S31 / S3 in the direction of Neugraben, Buxtehude, Stade or Harburg Rathaus to Harburg Rathaus. Get on the front part of the train (approx. 15 min. travel time).
- Use the exit in the direction of travel of the S-Bahn and keep right after the escalator (exit: Neue Strasse).
- After leaving the S-Bahn station, walk straight ahead along Neue Strasse and cross the pedestrian tunnel at the end (approx. 7 min. walk).
- Cross the pedestrian lights. The TuTech building is the second building in the street. You can recognize it by the sloping front. The EMC laboratory is also located there.

Link public transport: <http://www.hvv.de/>

By car:

- From Hamburg city centre: Via Elbbrücken and Wilhelmsburger Reichsstrasse, exit Harburg-Neuland (approx. 20 min. drive)
- From the A7: Exit Moorburg / Hafen Harburg in the direction of Hafen Harburg (approx. 10 min. drive)
- From the A1: Exit Harburg in the direction of Hafen Harburg (approx. 5 min. drive)

Visitor parking and delivery via: Karnapp 11, 21079 Hamburg
