

How to get to us

TÜV NORD Hochfrequenztechnik GmbH & Co. KG is easy to reach by public transport as well as by car

You will find TÜV NORD Hochfrequenztechnik GmbH & Co. KG at **Waltherstraße 49 - 51, 51069 Cologne**. We are in LESKANPARK, an industrial park in the Dellbrück district with a total of 43 buildings. You will find us in **hall 10**.

By car

Leave the A3 motorway at the "Köln-Dellbrück/ Holweide" junction.

Continue on Bundesstrasse 506 (Bergisch Gladbacher Strasse) in the direction of Bergisch Gladbach (attention: speed 30 km/h), turn left into Paffrather Strasse (B506) and drive over the bridge (on the right). Turn left immediately after the bridge and follow the road to **TOR 1**. When you enter **TOR 1**, drive directly towards **hall 10**. Please use one of our parking spaces.

By public transport

The **Köln-Dellbrück S-Bahn station** on the S11 is directly on the LESKANPARK grounds. Once you have entered the grounds, walk in the direction of the hotel, past it and always straight ahead. At the end of the small street (approx. 300 m), you will see a large rolling gate on the left, which already belongs to our laboratory.

It is 15 min. by S11 to Cologne main station and 12 min. to Deutz station, where ICE trains also stop.

Connections to airports

Cologne-Bonn Airport (CGN):

S19 (direction Düren), Cologne-Deutz change to S11 (direction Bergisch Gladbach), duration approx. 45 min.

Dusseldorf Airport (DUS):

RE to Cologne-Mülheim, S11 (direction Bergisch Gladbach), duration approx. 60 min.

Frankfurt Airport (FRA):

ICE to Cologne-Deutz, then S11 to Cologne-Dellbrück, duration approx. 80 min.
