1) I hereby confirm that:

- at least **5 verifiable items of evidence (one for each calendar year)** for each test procedure are available. The items of evidence (test report) must cover the relevant industry sector or product sector.
- there has been no significant break from work in accordance DIN EN ISO 9712 Paragraph 3.38.

It must be clear from the evidence that the applicant performed the test independently and undertook the assessment. The supporting documents do not have to be submitted, but shall be stored by the employer. It must be possible, however, to make them available to the certification body upon request.

2) In addition, Annex 2 must be completed for the application.

*) For self-employed or unemployed persons, the evidence must be confirmed by a referee recognised by the certification body.
