1) I hereby confirm that:

- at least **5 verifiable items of evidence listed above are enclosed per calendar year** for each test procedure. The items of evidence (test report) must cover the relevant industry sector or product sector.
- there has been no significant break from work in accordance DIN EN ISO 9712 Paragraph 3.38.

It must be clear from the evidence that the applicant performed the test independently and undertook the assessment.

*) Furthermore, **the referee confirms** that the applicant performed an active NDT activity for at least 10 days per calendar year.

For self-employed or unemployed persons, the evidence must be confirmed by a referee accepted by the certification body.
