

How to find us

The EMC Laboratory of TÜV NORD CERT, Schlossstraße 6-12, 21079 Hamburg, is located in the Hamburg-Harburg area of the city to the south of the River Elbe - and specifically in the TUTECH-building in the "channel hamburg" technology development area in the Harburg inland port. This is how to find us:

From Hamburg-Harburg Railway Station (station for IC, ICE and regional railways)

- On foot to Harburger Schlossstraße (around 15 minutes) or by taxi

From Hamburg Airport

- By taxi directly to EMC Services (around 30-45 minutes)
- By Line S1 from the S-Bahn Station at Hamburg Airport to Hamburg Main Railway Station (Hamburg-Hauptbahnhof) (around 25 minutes) and then onwards (see below)

From Hamburg-Hauptbahnhof

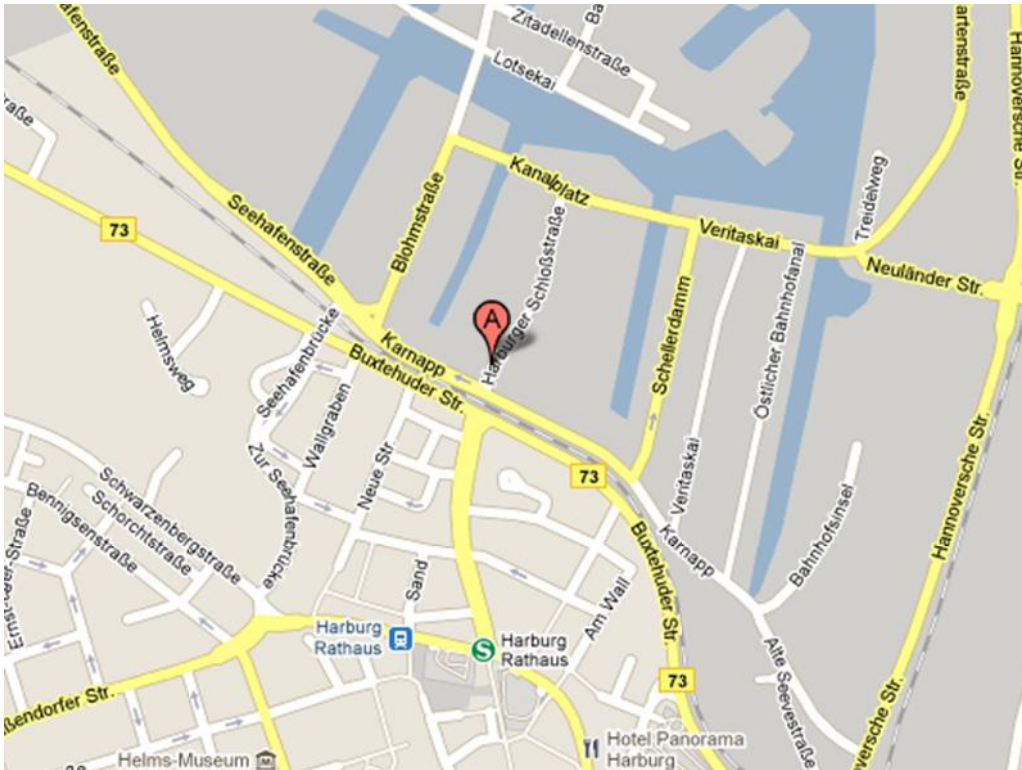

- Take the S-Bahn Line S31 / S3 in the direction of Neugraben, Buxtehude, Stade or Harburg Rathaus to Harburg-Rathaus. Please enter the front section of the train (around 15 minutes)
- Take the exit in the direction of travel of the S-Bahn and keep to the right after the escalator (Exit: Neue Straße)
- After leaving the S-Bahn station, go straight on along Neue Straße and pass through the pedestrian tunnel at the end (around 7 minutes).
Cross at the pedestrian traffic lights. The TuTech building is the second building in the street; it can be recognised by its sloping facade. This is the location of the EMC Laboratory.

By car:

- From HH-Centrum (Hamburg City Center): cross the Elbbrücken and Wilhelmsburger Reichsstraße,
Take the Harburg-Neuland exit (around 20 minutes)
- From the A7: Take the Moorburg / Hafen Harburg exit in the direction of Hafen Harburg (around 10 minutes)
- From the A1: Take the Harburg exit in the direction of Hafen Harburg (around 5 minutes)
