### **3. GENERAL DECLARATIONS / OBLIGATIONS REGARDING THE CERTIFICATION APPLICATION**

**I confirm that all the information I have provided regarding the recertification process is true.**

**I hereby agree that**

- the granted personal certification issued may be included in a list of certificate holders accessible to the public.
- the personal certification body is authorized by the certificate holder to provide information about the personal certificate issued to the certificate holder upon request.
- representatives of the accreditation body are present at examination dates and inspect my examination and certification documents.

**I am aware that**

- participation in the examination is also possible if I have not yet met the prerequisites according to the guideline for my requested personal certificate. If I pass the examination, I will receive confirmation of passing the exam, which I can exchange for the corresponding personal certificate within 18 months of passing the examination by proving that the required prerequisites have been met.
- false statements or misuse or the misleading use of the personal certificate can lead to the withdrawal of the certificate. The separate use of logos / symbols of the TÜV is also considered misuse.
- the personal certificate remains valid only in case of continued activity as defined in the guideline.
- there is a right of objection and appeal against decisions of the personal certification body. Objections and appeals must be received by the certification body in written form.
- my personal data will be treated confidentially by the certification body and is subject to data protection.
- in special cases of impairment (physical, cognitive, etc.) I can obtain a corresponding adjustment of the framework conditions of the examination upon prior application with medical proof to the certification body.

**I commit myself**

- to report any changes of my address to the personal certification body after the personal certificate has been issued.
- to notify the personal certification body of any interruption of my activity of more than two years.
- to inform myself regularly about the latest status of the regulations and topics relevant to the certification area.

**The current General Terms and Conditions published on the TÜV NORD CERT homepage apply.**
