

General Information

Overview for Issuing IECEx Certificates of Conformity, ExTRs and QARs

Restrictions for ExTRs

Because ExTR form the basis for issuing an IECEx CoC, they shall not be used in any form of advertising or sales promotion in order that the information is not misrepresented.

Restrictions for Ex QARs

The QARs are documents used in preparation of IECEx CoC and basis for on-going production; they shall not be used in any form of advertising or sales promotion in order that the information may be misinterpreted.
